

Dear Friends,

We are delighted to invite you to an evening of song and art in support of The Muckenthaler Cultural Center and Alzheimer's Orange County.

Last year, the amazing and talented **Gayle Heuser** performed an outstanding concert in support of The Muckenthaler Cultural Center and Alzheimer's Orange County – all surrounded by beautiful paintings created by people experiencing dementia. Her amazing talents coupled with the passion and power of the art creates a magical evening for our guests.

**On August 30, 2019, An Evening with Gayle** will use Gayle's fabulous voice to showcase, once again, the Memories in the Making® program of Alzheimer's Orange County in the beautiful setting of The Muckenthaler Theater. **Come join us and celebrate music and art.**

This year, you have the power to make a lasting impact in our community by supporting Alzheimer's Orange County, the community's leading provider of free dementia care services, support, education, and advocacy for people with memory loss, and The Muckenthaler Cultural Center, Fullerton's masterpiece of community, culture and the arts.

Your generosity helps us create a brighter future for all who are impacted by this devastating disease, and support the arts for thousands.

On behalf of The Muckenthaler Cultural Center and Alzheimer's Orange County, thank you for your commitment.
