In-Home Care Agencies

This list is for referral purposes only and is not exhaustive. The following agencies completed a survey for the Alzheimer's Orange County. They have all certified that they have: 1) been in business for at least two years and are licensed by the State of California; 2) all direct care staff are employees of the company and that they have been trained in no less than four hours per year on dementia specific intel (unless indicated otherwise); 3) all direct care staff are registered with the State of California; 4) all direct care staff have passed a DOJ Live Scan (criminal background) check prior to serving in a home; 5) the business carries current professional liability insurance policy, general liability policy and current Worker's Compensation policy. The information included on this list was accurate to the best of our knowledge on 7/16/19. Service changes may have occurred since the review date, and it is your responsibility as the consumer to verify this information with the provider. This list of in-home care providers is offered as a resource and does not constitute an endorsement of the agencies' quality of service, nor does exclusion imply an unfavorable judgment of services of an agency.
