

A Monthly Newsletter for the Families and Friends of Irvine Cottages

A Message from Executive Director Alex Valle Monthly update and Cottage Happenings during June, 2021

Dear Irvine Cottages families,

We hope everyone is doing well and staying safe. Residents have been busy celebrating during the month of June. We honored each of our special Dad's and Grandfathers with a special lunch with their house mates along with a special gift. On Memorial Day, residents honored all the men and women who have died in the service of our country. We want to give a special thank you to Miriam Romo and our friends at Care Choices hospice for honoring our veterans with a special flag pin and red roses.

Resident care is our priority. We are still exercising caution with COVID-19 precautions. We thank you for your patience as we focus on resident safety and the safety of our caregivers.

We are continuing to focus on infection control training, safe handwashing and cleaning/disinfecting practices. We are cleaning and disinfecting inside the homes multiple times daily. This includes all counter tops, door handles, phones, light switches, toilets, faucets, sinks and all frequently touched objects and surfaces. Staff are still required to wear a face mask at all times to cover mouths and noses when around others and working. We are encouraging staff and residents to wash their hands often, either with soap and water for 20 seconds or a hand sanitizer. We are continuing our protocols and have hand sanitizer, Lysol antibacterial liquid spray and wipes available in each home.

Please reach out to any of the management team if you have any questions.

Alex
