MEMORY SUPPORT SERVICES

A Program of Alzheimer's Orange County

Special Topics: Open to All Attendees

Dementia Friendly Holidays (Virtual) | Nov 10 | 10:00 am - 11:30 am

Register Here: <u>bit.ly/CPWNov102022</u>

The holidays can be difficult for individuals with cognitive changes as the sights, sounds and activities of the holidays can be overstimulating and overwhelming, which can result in their discomfort and difficult situations. Learn how to make the holidays simple, yet special and appropriate for individuals with dementia. Modifying holiday traditions and managing unrealistic expectations also reduces stress for dementia care partners as well. Let us help you make this holiday season a more peaceful affair!

CLASSES FOR CARE PARTNERS

For family & friend caregivers of individuals with cognitive changes.

Family Care Partner Strategies Series (Virtual)

Sign up for all three of our series of classes held on Tuesdays at 10:00 am (Zoom). Preregistration is required. Visit the links below, or call 844-373-4400 to sign up!

Caring Conversations: A New Way of Talking

When a loved one experiences cognitive changes, their ability to communicate is often challenged. Join us for this class designed to help you better communicate and connect with friends, family, or loved ones with cognitive decline. Bring your questions!

Oct 4 | bit.ly/CPWOct042022

Understanding & Responding to your Loved One's Distress

Care partners can often face frustration when caring for loved ones with cognitive changes who experience distress which can present as changes in behavior expressions. Join our conversation to explore why this distress occurs, how we can reduce the recurrences of challenging situations, and how to increase positive experiences.
