

Golf Fore Alzheimer's Co-Chairs & Coto residents - Mike Lancaster and Frank Carfioli

## GOLF FORE ALZHEIMER'S GOLF TOURNAMENT

May 19, 2023 - Arroyo Trabuco Club

Golf, dine, and enjoy a day of leisure at one of Orange County's premier courses while supporting the fight against Alzheimer's disease at Alzheimer's Orange County's Golf Fore Alzheimer's golf tournament at Arroyo Trabuco Club on Friday, May 19, 2023.

For event co-chairs and Coto de Caza residents, Mike Lancaster and Frank Carfioli, this event has been more than just about a golf tournament—it's personal. Both Lancaster and Carfioli lost loved ones to Alzheimer's disease—the most common form of dementia affecting over 84,000 Orange County residents. Since then, they've been actively supporting Alzheimer's Orange County (AlzOC) so that other families have a partner in facing the disease.

"We understand the struggle of being affected by dementia, so we know first-hand that supporting an

organization that is at the forefront of helping families right here in our community is crucial so others don't have to face it alone," explained Lancaster and Carfioli. "That's why we've been a part of this event for almost a decade."

AlzOC is a local, independent 501(c)(3) nonprofit that's been serving the community for over 40 years. In 2022, they served nearly 35,000 people. One hundred percent of any donation stays right here in Orange County.

Morning and afternoon sessions are available for individuals and foursome golfers. Non-golfers and spouses are also welcome and encouraged to join the evening happy hour and dinner. All donations are tax-deductible as allowable by law.
