

WHAT WE'VE DONE SO FAR IN 2023

980 people have called our Helpline and we've conducted over **500** care consultations.

245 individuals participated in our Connect2Culture program to socialize and connect with others like them.

1,214 caregivers attended our support groups to find community and solutions.

4,421 people attended one of **118** educational classes. We also hosted classes in Spanish, Mandarin and Farsi.

Our two adult day centers provide daytime assistance to over 120 participants every weekday.

34,778

Number of people we helped in 2022.

THE NEED AT A GLANCE

1,624,000

Californians provide care for a person with Alzheimer's disease.

MOST UNPAID CAREGIVERS PROVIDE

20 or more

Hours of care per week to a friend or family member living with Alzheimer's.
