

RESOLVE | To Make a Difference

Become an Alzheimer's Advocate!

Join us Wednesday, January 24th, 5:30pm-7:00pm to discuss how you can volunteer with our Advocacy team!

What is an Alzheimer's Advocate?

Alzheimer's advocates play an important role in improving the quality of care and quality of life for people with Alzheimer's disease and their families by working to improve dementia care and services; improve access to community-based care; improve quality care in residential settings, and expand funding for research and public programs serving people with dementia.

As an Advocate, you will:

- Receive regular updates about current legislative and public policy issues
 - Stay on top of policy and legislative issues through alerts and updates
- Make calls or write to legislators to forward public policy priorities to improve quality of life for those living with memory loss and other senior needs
- Quarterly visits with your elected official and their staff on the local, state and county level
 - Participate in an Advocacy Committee every quarter
