## Alzheimer's Orange County's Annual Golf Tournament Returns

IRVINE, CA, April 29, 2024 – Alzheimer's Orange County (AlzOC) is pleased to announce the upcoming Golf Fore Alzheimer's Tournament, scheduled for Friday, May 17, 2024, at the esteemed Arroyo Trabuco Golf Club in Mission Viejo, California. This annual event aims to raise funds for AlzOC's community-based services that provide local support, care and resources to over 34,000 people every year.

The tournament will attract golfers from all over Orange County, participating either as foursomes or individuals, in support of the ongoing efforts to combat Alzheimer's disease in Orange County. Attendees have the option to enhance their experience with Super Tickets, offering access to multiple golf contests, additional drink tickets, entry into a drawing for next year's foursome, and other great items.

Beyond golf, the evening program welcomes both golfers and non-golfers to enjoy a full, buffet-style dinner, entertainment and live auction. A silent auction will also offer a variety of exciting items for people to bid on the day of the event up until the auction closes the following week.

Adding to the event's excitement, participants will have the opportunity to engage in a helicopter ball drop, with tickets available for \$10 each. The winner will receive half of the proceeds generated by the helicopter ball drop ticket sales, with no requirement for attendance to claim the prize.

"This event not only serves as a fun day for golfers and non-golfers alike, but also as an opportunity to support a cause to address an urgent issue affecting over 164,000 people in Orange County," said event co-chairs, Frank Carfioli and Mike Lancaster. "We extend our gratitude to our sponsors, participants, and volunteers for their ongoing support."
