THE BEST FRIENDS APPROACH TO DEMENTIA CARE

WEDNESDAY, JULY 24, 2024 11:00AM PST - 12:00PM PST

Unlock the power of friendship and compassion in dementia care with the transformative Best Friends Approach, where every interaction fosters trust, empathy, and meaningful connections. Participants will learn about the core tenets, which emphasize the importance of building strong, personal relationships with individuals living with dementia. Join us to learn practical techniques and strategies for implementing the Best Friends Approach including life story work, enhancing communication, and creating supportive environments.

At the completion of the course, participants will be able to:

1. Learn to create and apply personalized Life Stories in day-to-day interactions.
2. Describe the various ways dementia impacts communication.
3. Acquire practical strategies for addressing and managing challenging behaviors with patience and understanding, ensuring a compassionate and person-centered environment.
