THE TRANSFORMATIVE IMPACT OF OUR SERVICES

"You gain knowledge, you gain information, but until you're communicating with someone who has walked the journey, who has the true experience—you don't really understand."

HIGHLIGHTS FROM TWO YEARS OF INNOVATIVE PROGRAMMING

This fall, Alzheimer's Orange County concluded a two-year grant from the Administration of Community Living (ACL). The grant expanded dementia-capable programs, supporting individuals, caregivers, and professionals across Leisure World Seal Beach (LWSB) and Orange County.

5,158
hours of services

were provided to support individuals living alone with memory concerns in LWSB.

5,782
hours of training

were provided to English and Spanish-speaking professionals in LWSB and other locations, including those who serve individuals with Intellectual and Developmental Disabilities (IDD) who are at increased risk of dementia.

2,857
education sessions

were offered for residents of LWSB and members of Orange County's IDD community.
